Southern Nursing Research Society Annual Meeting February 21 -23, 2008 Birmingham, AL

The online submission process for symposia, papers and posters (except student posters) is now open. The deadline for submissions is June 4, 2007 at midnight. Please note that the student poster abstract submission dates will be announced at a later date.

Please go to the [2008 Annual Conference Page](#) that contains abstract guidelines, evaluation criteria for abstracts, and a link to the abstract submission [login page](#).

Poster and regular sessions at the 2008 conference will be organized according to active Research Interest Groups (RIGs) and thematic areas. Please note that in Step 8 of the abstract submission process, there is a drop down menu for "abstract categories" and you will be asked to identify both a RIG and thematic area. On the left is the active RIGs list. The list on the right consists of thematic areas. The submitter-identified abstract category and theme will be used in program planning.
