Silent Auction
The primary mission of SNRS is to support nursing research. To that end, we are continuing, as part of our Annual Conference, a Silent Auction to generate funds for additional research grants.

Please consider donating a gift to this year’s auction. Gift baskets were a popular item at last year’s auction. Think how tempting a lovely basket filled with soothing bath salts & lotions, beautiful yarn or tempting gourmet chocolates would be! Another popular option is a gift certificate. Click here to see the latest donations!

Anyone interested in contributing items valued at $50 or more to this cause is encouraged to visit the SNRS website at www.snr.org, call us at 877-314-SNRS (7677), or contact us by email at snrs@resourcenter.com.

The SNRS 22nd Annual Conference promises to be a rich educational experience for all who attend. Thanks to the SNRS membership as well as abstract reviewers and to members of the Local Planning Committee, we have a full program of pre-conference workshops, papers, symposia, posters, panels, and networking sessions. Using our online abstract submission process, SNRS received more than 600 abstracts submitted from members employed or studying at nearly 300 institutions (including 20 practice settings) from our region and several outside the region.

Register online for the SNRS 2008 Annual Conference, February 21-23, 2008. At the Sheraton Birmingham Hotel in downtown Birmingham, Alabama. Hosted By: The University of Alabama at Birmingham School of Nursing in collaboration with Schools of Nursing at Auburn University, University of Alabama Capstone, University of Alabama in Huntsville, Samford University, Jacksonville State University, and University of South Alabama.
