**ATTENTION DOCTORAL STUDENTS!**

Explore the new [doctoral student page](http://snrsdocstudents.wordpress.com/) on the SNRS web site. There you will find a blog, a link to a variety of funding agencies, top ten hints for publishing, presenting, and getting funding, and a suggestion page.

The blog is designed for you to use it in whatever way you choose! Share your research ideas, questions, frustrations, funding ideas, etc. with your peers. Find others interested in the same research topic. We look forward to seeing what you come up with!

To find the page, click on the "Society" tab on the SNRS home page and scroll down to the link for "Doctoral Students." Once you click on this link you will see the four different pages within that section.
