Abstract Submission Site Closes - June 8
SNRS 25th Annual Conference
February 16 - 19, 2011
Jacksonville Hyatt Riverfront
Jacksonville, Florida

There are only a few days left! The SNRS abstract system closes on Tuesday, June 8, 5 PM Central time zone. The online submission process is open for symposia, podium presentations and posters (except student posters). Please note that the student poster and late-breakers abstract submission dates will be announced at a later date (October 1, 2010).

The Southern Nursing Research Society Annual Conference provides an opportunity for SNRS members to report ongoing and completed research as well as theoretical, conceptual, and methodological projects to their colleagues.

We are using a new abstract submission system (Scholar One). Please read all directions carefully since the procedures for abstract submission have changed. Please use your SNRS member number. You will need it in order to submit your abstract. SNRS membership is NOT required at the time of abstract submission, but SNRS membership is REQUIRED at the time of presentation.

Please review the submission guidelines, which contain important information that you will need prior to starting the abstract submission process. Reviewing this information in advance will greatly facilitate the submission process.

Examples of exemplar abstracts are posted on the SNRS website.

- **Podium (paper) and symposium** presentation abstracts must show evidence that the research (or theoretical/conceptual/methodological work) is complete at the time of abstract submission.

- All **symposium** abstracts must be submitted as a package (see instructions) by the symposium leader.

  - **Poster** presentation abstracts may include work in progress and/or preliminary data analysis, though data collection and analysis must be complete at the time of the conference presentation.

We look forward to receiving your 2011 abstract and seeing you in Jacksonville, FL to celebrate 25 years of SNRS.

Anne Turner-Henson
Vice President
