SNRS 27th Annual Conference
"Expanding Networks of Knowledge for Healthcare Innovations"
February 27 - March 2, 2013
The Peabody Hotel
Little Rock, Arkansas

Mark your calendars! As SNRS gets ready to invite you to submit an abstract for the Student Poster and Late-Breaker for its 27th Annual Conference, "Expanding Networks of Knowledge for Healthcare Innovations".

The abstract submission site will open on Monday, September 10, 2012 8:00 am CDT and will close Wednesday, October 3, 2012 5:00 pm CDT. There will NOT be an extension this year.

Student poster abstracts may be submitted by students currently enrolled in programs, as well as members who completed the work while a student (in the previous year). These abstracts must describe completed research (may be preliminary findings) or
methodology abstracts (innovative methodologies). The student must be the first author (presenter) of the abstract, though additional authors may be faculty advisors or others. Students who are submitting abstracts are strongly encouraged to read the submission guidelines, and listen to the videos on how to prepare and submit an abstract. Please note that the student must attest (see special statement that must be signed by the faculty advisor or designee) that the faculty advisor or designee has read and approved the abstract submission.

Thank you,

Anne Turner-Henson
