SNRS is now accepting exhibitor and sponsor applications!

The Southern Nursing Research Society (SNRS) will celebrate its 28th year of supporting, quality nursing research at the 2014 Annual Conference. We are excited to invite you to exhibit where key decision makers will gather.

Our program is shaping up to be even stronger than previous years and we are expecting an higher potential attendance. Attendees are comprised of faculty, deans from schools of nursing, graduate nursing students (MSN, DNP and PhD), clinical nurse specialists, nurse practitioners, and nurse researchers employed primarily in academic and patient care settings.

In addition to being able to interact with this important market, opportunities offered to our exhibitors through marketing include:

- Advertising in the On-Site program
- Inserts in attendee registration packets
- Networking opportunities
- Exposure through the SNRS Annual Conference
  Website which includes your company’s description and a link to your website. A high return on your marketing budget!

To enhance your exhibiting experience, sponsorship opportunities are also available!

- Consider sponsoring an event at the conference. Events such as food or beverage breaks, the cyber cafe or branded items, just to name a few. A sponsorship will draw greater attention to your products and services.

Is there a better way to have SNRS members and other conference attendees find out more about you? Only if you are exhibiting at the conference!
