SNRS is currently in the first year of a three-year "Every Member Campaign" to raise $100,000 toward securing funding for the nursing research grants we give each year. The commitment to shaping the future of nursing research can be secured through your contribution to this vital campaign.

Currently, we have raised 67 percent of our first year's goal. If every member contributed $5.00 before the end of the year we would surpass our original goal. To put this in perspective, rather than buying that Starbucks coffee or a McDonald's breakfast one morning, help support SNRS. Plus, your donation is tax deductible!

Please join me and donate that money just once to SNRS and help us meet our goal!

Sincerely,
