10th Annual Silent Auction

The primary mission of SNRS is to support nursing research. To that end, we are continuing, as part of our Annual Conference, a Silent Auction to generate funds for additional research grants.

For the past several years, we have had a silent auction and raffle at the conference that has been extremely successful. All proceeds have been designated to help build a foundation for research grants awarded to promising future nurse researchers. This year we hope to top previous years in terms of the amount raised! We can't reach this goal unless you help us through your generous donation of auction and raffle items. Individuals and schools have historically donated items valued at more than $50.00. Soft sacks were used last year and several "winners" loved the fact that they could carry their silent auction items on the plane or pack them easier.

Please consider submitting a soft sack filled with items to represent your school and/or region and help us raise money for research grants. The modest cost of creating the sack can provide advertising for your school and generates excitement about the silent auction.

Click here for more information regarding the silent auction.

Call for Exhibits and Sponsors

Don't miss this opportunity to exhibit, sponsor or advertise at the 2016 Annual Conference!

- Marketing opportunities to reach potential clients at the conference and throughout the year, including advertising in the program and inserting your brochure in attendee registration packets.
For Exhibitors, the Conference is an excellent opportunity to meet and network with new contacts within the nursing research society, and showcase products and services.

- Sponsor an event or a branded item at the conference. A sponsorship will draw greater attention to your products and services.
- Exposure through SNRS's Annual Conference website with your company's description and will direct customers to your website with a provided link. Click here for more details.
