SNRS 33rd Annual Conference
Feb 27 - March 1, 2019
Rosen Centre Hotel
Orlando, FL

SNRS is now accepting exhibitor, advertising and sponsor applications. The Southern Nursing Research Society (SNRS) will celebrate its 33rd year of supporting quality nursing research at the 2018 Annual Conference. We are excited to invite you to exhibit where key decision makers will gather.

Our program is shaping up to be even stronger than previous years and we are expecting a higher potential attendance. Attendees are comprised of faculty, deans from schools of nursing, graduate nursing students (MSN, DNP and PhD), clinical nurse specialists, nurse practitioners, and nurse researchers employed primarily in academic and patient care settings.

In addition to being able to interact with this important market, opportunities offered to our exhibitors through marketing include:

- Advertising in the On-Site program
- Inserts in attendee registration packets
- Exposure through the SNRS Annual Conference Website which includes your company's description and a link to your website.
- **Check out our new Sponsorship Opportunities:** Such as the Student Lounge or the Student/New Member breakfast.
- A sponsorship will draw greater attention to your organization!

Is there a better way to have SNRS members and other conference attendees find out more about you?

You are now able to secure your booth, sponsorships and advertising on-line! If you would like to secure your booth or sponsorship online please log in on the SNRS website to your profile and then navigate to the online store and choose to shop.

Thank you to our Host Schools!
University of Central Florida, University of Florida, University of Miami and University of South Florida.
